

BOOST YOUR DAILY PERFORMANCE

RedNite® - Boost Dietary Nitrate
The first fresh beetroot powder to be standardized for 1.5% - 2.75% natural nitrate

Ideal ingredient to boost power of your performance enhancing sports supplements. It is completely water soluble with lovely red colour and pleasant taste. RedNite® is free from nitrites and synthetic nitrates.

Nitrate increases exercise performance and tolerance, boosts endurance and also plays a role in maintaining brain health and cardiovascular health.

25x
25 times more nitrate than beetroot

10x
10 times more antioxidants than beetroot

Delivers natural nitrate with betalains & polyphenols

Red beet is good for you! It lowers blood pressure, is rich in immune - boosting vitamin C, folate, fiber, iron, betalains and essential minerals like potassium and manganese.

RedNite® shows the best results:

When taken before exercise: 7-10 days and 2-3 hours before. It's an ideal ingredient for drinks, bars, gels and gums.

enXtra™ - The Authentic *Alpinia galanga*
